

For the second year, Ohio Prairie Nursery was the prime sponsor of the Midwest Native Plant Conference. This well crafted conference exposed 165 people, from native plant enthusiasts to novice homeowners, to the wide ranging benefits of using native plants in gardens and sustainable plantings. Through classroom sessions, keynote speakers, and private conversations, people learned and shared their knowledge on a wide range of related topics. We are proud to have been the sponsor of this event. Don't miss next year's conference. We will have information available as soon as it is released.
